

# tour de coops

It's time to "come home to roost." Another fascinating Eat Local! Week event, the Tour de Coops, is sure to provide all you need to know about chicken coops and chickens. Check out home chicken coops, learn about the care of backyard "urban" chickens, and become an expert in, well, fowl language.

So, don't dare chicken out – because this event is **FREE**.

Also on the Tour de Coops: Beekeepers, Goatkeepers, and Cultivators of special culinary gardens.

**Saturday, September 4th from 2PM to 5PM**
